## **ORDERS**

### **Art. 1 - Object**

Notice of a competition by qualifications announced for the assignment of n. 1 departmental grant for collaboration in research activities lasting 1 year for the Area 06 Medical Sciences, Competition Sector 06/G1 - General, specialist pediatrics and child neuropsychiatry, Scientific-Disciplinary Sector MED/39 – Child Neuropsychiatry, Macrosector 06/G – Pediatric Clinic to the Department of Medicine and Surgery.

The conferment of the grant involves the creation, within the Medicine and surgery department under Prof. Cristiano Termine supervision of the following:

Title of the research: departmental grant “Design and development of applications for the early identification and empowerment of children at risk of learning difficulties”

Research Project: “Develop and test applications for teachers and specialists (child neuropsychiatrists, psychologists and speech therapists) to remotely assess the pace of acquisition of reading, writing and calculation skills of children of the first and second year of primary school, as well as to propose enhancement activities. The applications will be inserted in a digital platform - Community-Based Activity Center (CBAC) - and accessible to children through tablets, therefore usable in any situation that hinders access to community resources or that determines social isolation (e.g. lockdown for Covid -19). The applications can be proposed in two different ways:

- 1) entertainment (eg serious games to propose activities to enhance the most fragile skills with fun and motivating activities).
- 2) tele-assistance (eg activities to assess reading, writing and calculation skills, both for teachers and for specialists; strengthening activities for the various abilities).”

This research will be held at the Department of Medicine and Surgery of the Insubria University.

Responsible Scientists: Prof. Cristiano Termine.

#### **Art. 8 – Renouncing of the candidate for the procedure**

Any waiver of the candidate to participate in the procedure will be sent as so-and exclusively on the web address shown above, Art. 4 of this announcement, by filling in the form of renunciation.

#### **Art. 9 – Contract of collaboration**

The winner will be called on to sign a temporary contract of research activity collaboration drawn up under civil law, within a period specified, otherwise he/she will lose the right. This fixed-term contract does not represent, in any way, a permanent contract of employment and does not give right to be admitted to permanent positions within University. The University provides equal opportunities between men and women.

The grant implies carrying out the activities briefly mentioned below at the Department of Medicine and Surgery of the University of Insubria and under the supervision of Responsible Scientist Prof. Giovanni Veronesi within the research programme: "Can we do it better than the Sybil? Assessing calibration determinants in prediction models "

Conditions are indicated by the contract and governed by the Regulations.

The position will cover a period of 1 year and can be renewed for periods of not less than one year up to a maximum of six years total with the same subject, also entered into with different institutions and universities, excluding the period in which the fellowship was received in connection with a PhD without a grant, not exceeding the legal duration of the course.

The contracts referred to in Article 24 of Law 240/2010, intervening with various universities, government, non-state or telematic, as well as with the institutions referred to in paragraph 1 of art. 3 of this notice, may in no case exceed twelve years, even if not continuous. For the purposes of said contract the length of periods spent on maternity leave or for reasons of health, as provided by law are not considered.

Renewal is still subject to a positive assessment of activities by the Department Council, as well as to availability of budgetary funds.

For non-EC citizens the fellowship will start after obtaining the residence permit for scientific research and when the research activity actually begins.

#### **Art. 10 – Salary**

The amount for the 1 year period of the research grant is € 28.496,99= inclusive of taxes and contributions borne by the candidate.

University will provide insurance cover for public liability and accident.

The amount is tax free according to article 4 of Law n. 476 dated 13/08/1984 and it is subject, for what concerns welfare conditions, to regulations as from article 2 paragraph 26 and following Law n. 335 dated 8/08/1995.

The sum will be paid in monthly instalments.

#### **Art. 11 - Suspension of the contract for maternity and sick leave**

The research activity is suspended for maternity leave.

Regarding mandatory maternity leave, the conditions of Ministry of Labour Decree dated 12/07/2007, G.U. n° 247 of 23/10/2007 will be applied. Sick leave will be governed by article 1, paragraph 788 of Law n. 296 dated 27/12/2006 and successive modifications.

During period of mandatory maternity leave, the amount paid by INPS according to article 5 of the above-mentioned Decree 12/07/2007 will be integrated by the University up to, and not over, the total amount of the contract.

The mandatory maternity leave must be recovered after the natural expiration of the contract as provided by law upon Department Director's act.

#### **Art. 12 – Withdrawal of the owner of the research**

The holder has the right to withdraw from the relationship, giving notice to the Director of the Department at least thirty days before.

Non-communication of the above implies retention of the amount relative to the period in lieu of notice.

#### **Art. 13 – Termination of employment**

If the holder does not continue the research activities in the program without good reason or is responsible for serious or repeated misconduct, on the motivated report by the Research Scientist and by the Council of the Department, termination of the contract may be ordered.

The contract will be terminated automatically, without notice, in the following cases:

- Undue delay or failure to initiate activity
- Unjustified suspension of activity for a period exceeding 15 days
- A serious contravention of the incompatibility clause of Article 7 of this Regulation
- Expression of a negative evaluation of the research by the Department Council.

The resolution provisions are stipulated by the Department Director.
