Object: Competition for a junior grant for collaboration in research activities in the Competition Sector 06/E1 - Cardio-thoraco-vascular surgery - Responsible Scientists Prof. Andrea Selenito Imperatori

THE DIRECTOR OF THE DEPARTMENT

- Given art. 22 Law 30th December 2010 n. 240 which establishes, within the financial resources, the assignment of fellowships for collaboration in research activities;
- Given the Decree of the Ministry for Education, University and Research, n. 102 on 9th March 2011, which establishes the minimum amount payable;
- Given the Regulations concerning the assignment of grants for collaboration in research activities (hereinafter Regulations) issued by Rector's decree n. 903 on 24th July 2013, Recent changes made by Rector Decree 18 December 2017, n. 1021, effective from January 3, 2018;
- Recalling the Rectoral Decree n. 301 of April 29th, 2020, to issue the list of eligible research projects financed by the University, as part of the selection procedure for no. 18 junior research grants 2019;
- Considering that the project presented by Prof. Andrea Selenito Imperatori was among those eligible and financed by the University for the conferment of n. 1 junior allowance entitled: "Training simulator efficacy in developing thoracic and general surgical skills in an academic residency program: a pilot study " with a duration of 1 year, whose activity research is to be carried out at the Department of Medicine and Surgery;
- Considering that the procedure relating to the Bando Rep. N. 256/2020 of June 8th, 2020 extended with Rep. 303/2020 of July 2th, 2020 has gone deserted
- Considering that the exceptional situation relating to the spread of the COVID-19 virus has led to particular difficulties dictated by the ongoing health emergency;
- Considering the attempt to counter and contain the spread of the virus which has therefore prolonged the timing of carrying out some activities;
- Recalled the resolution Rep. 83/2021 of the Department of Medicine for the approval of the activation procedure for a junior research grant entitled: "Pilot study for the planning and evaluation of a simulation system, in the postgraduate school program in thoracic and general surgery"- Scientific Responsible prof. Andrea Selenito Imperatori

- Ensured that the amount of the grant referred to in this announcement is financially covered by the University funds;

ORDERS

Art. 1 - Object

Notice of a competition by qualifications and interview announced for the assignment of n. 1 junior grant for collaboration in research activities lasting 1 year for the Area 06 - Medical Sciences, Competition Sector 06/E1 - Cardio-thoraco-vascular surgery, Scientific-Disciplinary Sector MED/21 - Thoracic surgery, Macrosector 06/E – Specialistic Surgical Clinic to the Department of Medicine and Surgery.

The conferment of the grant involves the creation, within the Medicine and surgery department under Prof Andrea Selenito Imperatori supervision of the following:

Title of the research: “Training simulator efficacy in developing thoracic and general surgical skills in an academic residency program: a pilot study”

Research Project: “During thoracic and general surgery residency, trainees’ surgical practice in clinics and mainly in operatory room is fundamental for the acquisitions of medical and surgical skills. In order to improve residents’ ability in performing an entire operation or the central steps of the most challenging surgical procedures, virtual training simulators have been introduced in several surgical disciplines leading to satisfactory results in terms of surgical time and improvement of patients’ safety during surgery and patients’ postoperative outcomes. The aims of the study are:

- to establish a training center for minimally invasive thoracic and general surgery at the University of Insubria, School of Medicine, ASST-Sette Laghi, Ospedale di Circolo Fondazione Macchi of Varese;
- to create a training program including a series of specific surgical maneuvers to be performed with the virtual training simulator;
- to evaluate this program efficacy in improving first/second year residents’ minimally invasive surgical skills.”

This research will be held at the Department of Medicine and Surgery of the Insubria University.

Responsible Scientist: Prof. Andrea Selenito Imperatori.

Art. 2 – General requirements

- Master's degree in Medicine and Surgery (class LM41) or Biology (class LM06) or industrial Biotechnology (LM08) or in Medical, Veterinary, Pharmaceutical Biotechnology (LM09) obtained pursuant to Legislative Decree 270/2004 and subsequent amendments or equivalent qualification obtained under previous regulations;

Art. 7 – Exclusion

Candidates are admitted conditionally.

The following imply exclusion from the procedure:

- 1) The application submitted or sent after the final date of expiry of the notice;
- 2) Failure to sign the application form;
- 3) The lack of participation requirements;
- 4) The existence of situations of incompatibility.

Exclusion is provided for with a motivated decision of the Director of the Department and shall be communicated to the candidate using the e-mail address provided.

Art. 8 – Renouncing of the candidate for the procedure

Any waiver of the candidate to participate in the procedure will be sent as so-and exclusively on the web address shown above, Art. 4 of this announcement, by filling in the form of renunciation.

Art. 9 – Contract of collaboration

The winner will be called on to sign a temporary contract of research activity collaboration drawn up under civil law, within a specified period, otherwise he/she will lose the right. This fixed-term contract does not represent, in any way, a permanent contract of employment and does not give right to be admitted to permanent positions within University. The University provides equal opportunities between men and women.

The grant implies carrying out the activities briefly mentioned below at the Department of Medicine and Surgery of the University of Insubria and under the supervision of Responsible Scientist Prof. Andrea Selenito Imperatori within the research programme: "Training simulator efficacy in developing thoracic and general surgical skills in an academic residency program: a pilot study".

Conditions are indicated by the contract and governed by the Regulations.

The position will cover a period of 1 year and can be renewed for periods of not less than one year up to a maximum of six years total with the same subject, also entered into with different institutions and universities, excluding the period in which the fellowship was received in connection with a PhD without a grant, not exceeding the legal duration of the course.

The contracts referred to in Article 24 of Law 240/2010, intervening with various universities, government, non-state or telematic, as well as with the institutions referred to in paragraph 1 of art. 3 of this notice, may in no case exceed twelve years, even if not continuous. For the purposes of said contract the length of periods spent on maternity leave or for reasons of health, as provided by law are not considered.

Renewal is still subject to a positive assessment of activities by the Department Council, as well as to availability of budgetary funds.

For non-EC citizens the fellowship will start after obtaining the residence permit for scientific research and when the research activity actually begins.

Art. 10 – Salary

The amount for the 1 year period of the research grant is € 19.367,00= inclusive of taxes and contributions borne by the candidate.

University will provide insurance cover for public liability and accident.

The amount is tax free according to article 4 of Law n. 476 dated 13/08/1984 and it is subject, for what concerns welfare conditions, to regulations as from article 2 paragraph 26 and following Law n. 335 dated 8/08/1995.

The sum will be paid in monthly instalments.

Art. 11 - Suspension of the contract for maternity and sick leave

The research activity is suspended for maternity leave.

Regarding mandatory maternity leave, the conditions of Ministry of Labour Decree dated 12/07/2007, G.U. n° 247 of 23/10/2007 will be applied. Sick leave will be governed by article 1, paragraph 788 of Law n. 296 dated 27/12/2006 and successive modifications.

During period of mandatory maternity leave, the amount paid by INPS according to article 5 of the above-mentioned Decree 12/07/2007 will be integrated by the University up to, and not over, the total amount of the contract.

The mandatory maternity leave must be recovered after the natural expiration of the contract as provided by law upon Department Director's act.

Art. 12 – Withdrawal of the owner of the research

The holder has the right to withdraw from the relationship, giving notice to the Director of the Department at least thirty days before.

Non-communication of the above implies retention of the amount relative to the period in lieu of notice.

Art. 13 – Termination of employment

If the holder does not continue the research activities in the program without good reason or is responsible for serious or repeated misconduct, on the motivated report by the Research Scientist and by the Council of the Department, termination of the contract may be ordered.

The contract will be terminated automatically, without notice, in the following cases:

- Undue delay or failure to initiate activity
- Unjustified suspension of activity for a period exceeding 15 days
- A serious contravention of the incompatibility clause of Article 7 of this Regulation
- Expression of a negative evaluation of the research by the Department Council.

The resolution provisions are stipulated by the Department Director.

Art. 14 – PhD and Master

The holder of research grants can attend, also as part of the excess number, and without the right to a grant, the PhD research course, subject to the passing of the entrance examinations.

The participation of the holders in master's degree course is incompatible.

Art. 15 - Head of the proceedings
